CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The institution believes in the policy of decentralization and participatory functioning. The Principal is at the highest position as the Chief of Administrative and Executive functions of the college, well supported by a series of office bearers of different orders. Apart from these basic management structures of the college, several committees are formed to practice decentralization and participative management. Our college has constituted the following committees: ? Admission Committee ? Finance Committee ? Anti-Ragging Committee ? Staff-Welfare Committee ? Sports Committee ? Cultural Committee ? College Development Committee ? Purchase Committee ? Library Advisory Committee ? Examination Committee ? NAAC Committee ? Career Counselling and Campus Placement Cell ? Grievance Redressal Cell The college management is not just run by the higher authorities but there is participation of people from all sections like teaching staff, non-teaching staff and students. Suggestions and inputs from these different groups of people play a major role in decision-making process, which is helpful for the growth of the college in all aspects. Our college also encourages the involvement of society, stakeholders, alumni and parent in its management system. The feedback from these various sections helps to improve the quality of the college. The two glaring and outstanding examples of decentralization and participative Management during the last year are (i) Library Management and (ii) Management of cultural activities.

Strategy Type	Details
Admission of Students	The admission is done through Entrance Examination Conducted by the Nodal University of Bihar authorized by the Bihar Governor. Students are admitted to college based on their preferences and ranks.
Human Resource Management	Patna Training College maintains a human resource management system which is effective enough to lead to

	judicious decisions on manpower utilization and, therefore, to a more productive teacher education. PTC follows the manpower requirement criteria and procedures for appointment as mandated by the affiliating university and the NCTE, and provides periodical training and guidance to staff for their development. As teacher capacity building strategy, the college encourages teachers to participate in professional development programs for continuous learning. PTC also undertakes analysis and uses the assessment and evaluation, and the appraisal outcome of the whole of staff. The University provides sufficient resources to ensure that PTC meets the standards of the NCTE.
Library, ICT and Physical Infrastructure / Instrumentation	The Library of Patna Training College located at the ground floor of the building. PTC is provided with a library and a reading room. It contains 11879 books and 1000 titles. There are text and reference books, national journals/periodicals, encyclopedias, All India Education Surveys, Magazines specially- Edutrack, India Today. The books are available for PTs and faculty for reading and referring. There is one reading room, reference section, text book section and periodical section in the library. Library has 01 computer with internet facility, printer/scanner and photocopier for staff and PTs. The books are kept with security and the library staff takes care of them. Besides, these facilities the library offers several add on services such as email alerts about subject specific articles and paper to the faculty. The working hour of our library is 6 hours from 10 A.M to 4P.M in all the six days in a week day. In an academic year, usually the library remains open in all the working days except the Sundays and Holidays.
Examination and Evaluation	Developing the teaching skills
Teaching and Learning	Patna Training College fulfills the required necessities faced by the PTs and the faculty every year by considering the proposals and suggestions put forward by the various committees and cells. Patna Training College is enhancing the new technologies and facilities according to the requirement for academic growth.

	Earlier faculty of PTC used OHP, Digital Projector and high density Video Camera for the demonstration of micro teaching and lesson planning. But nowadays faculty and PTs both are using the gadgets for simulated-teaching, micro-teaching and lesson planning to keep pace with the academic growth. Besides there, faculty frequently use Power-point, various multi-media, transparencies and other innovative methods to make the teaching and learning process more effective. Seminar Multipurpose Hall are well equipped with fairly good sound system. PTC is always in a continuous process to update the library with new books and journals, Psychology resource centre, Language resource centre, Science/Math resource centre and Computer lab with equipments according to the requirement of the PTs and the faculty. PTC also add the furniture and other accessories from time to time.
Curriculum Development	Every year Patna Training College takes the feedback. The obtained feedback is analyzed. The suggestions are put forward and discussed in Seminars or Workshops on curriculum development. Conclusions are drawn and with reference to jurisdiction are divided, into (i) college level, and (ii) University level. Action on the former is taken and suggestions approved by concerned committee are put into operation. The University level matters are forwarded to concerned authorities. Principal of Patna Training College every year forwards the suggestions to the Board of Studies, Patna University.

The academic programs of Patna Training College are in tune with the NCF-National Curriculum Framework, 2005 and subscribe straight away to the curriculum prescribed by the Patna University, Patna, as per regulation of 2-Years B.Ed. course approved by the Governor's Secretariat, Bihar in pursuance of the guidelines of NCTE-2014. With the vision of the college and national policy of education,1986 in view, PTC have (within the overall framework of the rules and regulations of the university for B.Ed. course) been able to shift the focus of educational process from theory to practical and make the learning process activity based as per the normative guidelines of NCTE,2014. At its own level, PTC tries to cater to the emerging needs of the society, by introducing the concept of smart classes and computer learning. Best Practice 1: Lowest fee structure for admission and hostel accommodation through out the country. Best Practice 2: Free medical facility. Best Practice 3: Campus is free Wi-Fi Campus.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words
Patna Training College is the only constituent unit of any university in the state of Bihar imparting Teacher-Education Programme at Secondary level. This itself illustrate the institutional distinctiveness. Patna Training College is striving to provide quality teacher education to the society since 1908. The feedback obtained from all the stakeholders provide a vision in improving teacher education. Teaching, Learning and Evaluation are based on the Ordinances and Regulations approved by the Governor Secretariat, Patna for B.Ed. course from time to time. Since the tuition and other fees for doing the teacher education programme in PTC is one of the lowest in the country,

students from the state and border area participate in the admission process which is conducted by the university. Students are provided a hostel accommodation whose charges are again one of the lowest in the country. Since the admission in PTC is very difficult, only students scoring very high get the admission. The college has a strong student support service. The students are also provided free medical services. Tutorial classes are also provided to the needy students. The academic standard of the students are continuously monitored by the institution through their mentors and Curriculum Implementation Committee. The college has well-equipped infrastructural as well as instructional facilities for the proper implementation of teacher-education programme. The teachers are actively engaged in training and developing instructional and other teaching-learning materials. Qualified faculty and staff share workload equitably and collectively. The college has a very well-equipped and rich library having more than ten thousand books. Some of the books are very rare. The college has distinction of having the British Principal till the country got its independence. i.e. when the country got its independence, the college got first Indian Principal on 15th August 1947.
